

Billings Downtown Starts here.

Supertunia Flower Baskets and Tree Maintenance 2010

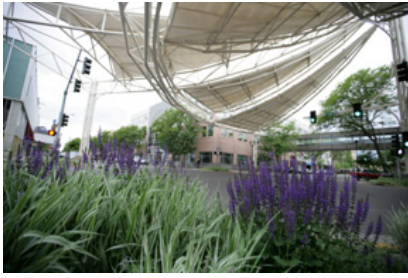

The Downtown hanging flower baskets and our beautiful canopy of green trees are great additions to Downtown Billings. They enhance the downtown pedestrian experience and accentuate our storefronts and events.

Funding for this beautification program comes from private contributions, combined with our share of revenue from the downtown Green Parking Meters. In 2010, the expense will exceed \$17,000.00. Annually, the Green Meters produce about \$10,000. As in the past, we need your donation to help to make up the difference and keep this program alive. Your business and support will be highlighted on our website and information bike.

Please fill out the donation form on the back of this letter and return it to us so we can help keep Downtown Billings beautiful, vibrant and green!

*Become a Best Friend of Downtown Billings through your donation;
we'll supply the great sticker!*
