

Downtown Billings Association

Membership Starts Here.

Dear Friend of Downtown Billings:

The Downtown Billings Association (DBA) is pleased to represent over 250 members and works diligently as a membership organization to provide leadership in the promotion, advocacy, and support of Downtown Billings as the vital center of our community. The DBA is the only organization dedicated exclusively to marketing downtown Billings.

Large corporations - such as professional, financial, healthcare - and specialty retailers share the downtown core with museums, performing arts centers, restaurants, educational institutions, and nightclubs. Ninety-three percent of the DBA membership is locally/regionally owned!

We are committed to serving our members everyday; we strive to be relevant to your business with continued growth in downtown Billings in mind. As we position Billings as a regional commerce, education, cultural, and economic center, we invite you to join us.

Becoming a member is quick and painless! On the back of this page you will find our annual membership renewal form. We look forward to counting you among our membership in the DBA and to having the opportunity to serve you and your business. Should you have any questions, please don't hesitate to contact us.

On behalf of the DBA Board of Directors,
